Equipment use, technical support and/or training may be scheduled up to 8 days in advance. There are no scheduling limits for off-peak hours: Monday-Friday, 8:00pm-8:00am; weekends and holidays.

Confocal systems' use is limited to 3 hours per day Monday-Friday, 8:00am-8:00pm. On the day of use, your session may extend beyond the 3-hour limit if the equipment is not already scheduled by another user.

DV systems can be scheduled for long-time imaging of living specimens but are limited to 24 hours of use per week per lab Monday-Friday. After the first 3 hours of DV systems use, hourly rates drop to \$5 per hour for long-term live cell imaging experiments.

Last-minute cancellations are discouraged. If cancellation is unavoidable, the person cancelling the appointment is responsible for shutting down the scope or informing the previous user.

Annual subscriptions may be paid in two installments (\$2,000 each or \$2,500 each).
